

# AVON

the company for women

## Contract Description

Interior alteration of 12 floors. Floors consisted of offices, conference rooms, open area landscape furniture, elevator lobbies and pantries. This contract required a 15% WBE workforce participation.

## Scope of Work

This project consisted of new light fixtures, a lighting control system on each floor, new electrical infrastructure inclusive of risers and electrical closet build-outs on each floor, local/branch power and a complete fire alarm system.

## WBE Participation

ADCO Electric exceeded the 15% WBE requirement for this project. Not only is ADCO Electric a WBE certified company, we also employed female field personnel that consisted of forewomen, shop stewards and journeywomen.
